Micki Kamrath reminded everyone that the Fall District 30 meeting would be at Eagles Landing October 4 and 5. There will be a welcome reception on Friday and members are asked to participate and bring a heavy Hor D'oeuvres or a dessert and a bottle of wine or other beverage. Water and tea will be provided. There will be an abbreviated squadron meeting which will be in lieu of the October dinner meeting. There is no cost, just bring food. A sign up sheet is circulating for help with setting up and taking down and we will need volunteers to provide boat rides for our eleven guests. Saturday morning will be the District #30 meeting followed by a catered lunch and a lake tour for our visitors (weather permitting) and other activities. Dinner will be at Indian Hills. A signup sheet for meal reservations for the Saturday events was circulated. Eagles Landing must be vacated by 2 pm on Saturday.

Quilt raffle tickets are also available, so please pick up a packet.

Meeting was recessed for dinner at 1900.

Donnie Crain, President of the Grove Chamber of Commerce explained that the chamber is supported by its 325 members and not the government. The purpose of the organization is to be an advocate for the community and the goal is to make Grove the number one lake town to live and visit. The economic development strategy focuses on five major areas; tourism, healthcare, retail, retirement and relocation and aviation/aerospace.

Business meeting reconvened at 2025.

Secretary verified that a quorum was present.

Cmdr. Kamrath thanked Michelle, Julie, Roger and Craig for arranging this event and Monty for providing such a fine meal.

- IT – website is working well – new ideas are always welcome.
- Pelican – Micki Kamrath will retire as editor and the squadron will need a volunteer for 2020.

Old Business:

- P/C Bruce Watson spoke to the members regarding board positions and called for member participation. We have a full slate which will be announced in the October edition of the Pelican, but we still need help with other committee and chair positions.

New Business:

- The squadron received the “Prince Henry the Navigator “award years ago and it has been in storage. This is a significant award in nautical circles (only about 30 in the world). Displaying and unveiling this award could present an opportunity for good publicity for America’s Boating Club – Grand Lake. Larry and Mary Ann Stout will make arrangements for display and explanation of the award.
- The Christmas parade will have a country theme. Last year, although squadron members had fun preparing for the event, we received no publicity. Cmdr. Kamrath asked for a show of hands to indicate interest in squadron participation in the Christmas parade. There was minimal indication of interest.
- Roger Jones thanked everyone involved for arranging the boat rally/scavenger hunt. 25 participants used the navigation map and enjoyed fun afternoon on the water. Thanks to the Moores for their hard work.
- Michelle Hooper announced there is plenty of food left over and take out containers available...

Motion to adjourn the meeting was made by Earl Starkman and seconded by Bruce Watson. Meeting was adjourned at 2056.

Respectfully submitted,

Arlene Starkman, Secretary
