**Subject:** Eboard canceled March 17

We have no reason to meet as an Executive Board tomorrow, except to commiserate and exchange stories doggone it... But here is an update:

- Kim Lindahl has volunteered to sign people up for GLA duty this summer. I will get back with her on that. THANK YOU KIM!
- We did get the \$6000 check from GRDA. We got our mutual photos in the Sun, Grand Laker, and American.
- I think our world is too unsettled to have to make plans right now for upcoming events like Toes, Camp B, and our need for more banners.
- Ed Dennis did send his findings on the inflatables. Again, no urgent need to make that decision.
- We got 86 life jackets from Walmart and 38 from the Sports Center. We gave away 74 at the boat show. The Walmart jackets are just going to trickle in according to Stoney Hayes, the manager.
- Kevin, Ken, & Micki put together the Jump Start packets. Kevin delivered to Indian Hills and Southwinds. Ken and I will deliver to Arrowhead & Grove Marine.
- From Bob Russell about Saturday's ABC class:

The class went very well. All 10 folks showed up. Everyone seemed to enjoy themselves and everyone passed the exam. I think we are likely to gain a couple of new members. Vicki did a great job explaining all we do as members of ABC-GL. Thanks to the Membership Committee for providing lunch. It was great.

- We need to find a new vendor for name tags. Sandra-Lee's has had to close their business. Lynda has done some preliminary research.
- Treasurer's report (cherry picked..): Quilt proceeds \$1393. Lady from Tulsa won it with ticket sold by Clara Murphree. Bingo net \$937. We did get the \$1000 grant from Walmart.
- Membership report (cherry picked..) Two new members to be approved Cindy and Duane Tomaszewski. Super!
- New business: please look at the Winter Ensign, page 30. Jay, OK has a Boys & Girls Club. Jay Cranke of the GLA is heavily involved in that club. Would we be interested in taking some kids out on the lake this summer? I've talked to the person who wrote that article and he sent me mountains of info. Let me know your thoughts.

I am canceling every group activity we do for the next two months so gotta get that notice written. PLEASE - if any one of you get into any kind of bind - shortage of food, needing an errand run, anything- LET ME KNOW! I will bet any one of us who is capable at the time will help out.
