- Outgoing Bridge members should pass on their budget information to their replacements. Lynda will send out a budget summary to everyone.
- There was a discussion regarding investing some of the squadron's money into an investment account such as Vanguard, like District is doing. The consensus was that we would study this option more during the upcoming year.
- Lynda will send out asset lists to each Bridge officer to complete.

**Executive Officer – Sandy Hendrickson / Vicki Fellhauer**

- P/C Kevin Kamrath reported that we have distributed approximately 80 Jump Start packets to 4 marinas and most have been given to their new boat buyers. We have about 20 plastic folders remaining so we will fill them and distribute the remaining packets to the marinas. It is difficult to evaluate whether we have benefited from this program due to COVID-19 and the decrease in squadron activities, classes, and new members.
- Cdr Moore has reviewed and made a few edits to the ABC-GL Powerpoint Presentation that was created by Vicki Fellhauer and Cindy Tomaszewski. It was suggested that we update it before using it in the future. P/C Bruce Watson volunteered to add comments to the notes that can be used when presenting the slides.
- Suggestions were made for our annual charity donation: Toys for Tots, Salvation Army Bell Ringers, Christian Food Pantry, Holiday Food/Linen/Towel Baskets, Be the Change, UMC Backpack Program, and Santa's Old Broads.
